(a) You may load Digital Asset(s) to your Digital Asset Wallet by effecting a transfer of such Digital Asset from any external wallet to the relevant address for your Digital Asset Wallet, which will be available on the Crypto.com App.

You acknowledge and agree that it is your responsibility to ensure that: (i) the correct address, memo and destination tag for your Digital Asset Wallet (as reflected on the Crypto.com App) is entered when you effect a transfer of Digital Asset from your external wallet to your Digital Asset Wallet; and (ii) only the Digital Assets that are supported by the Digital Asset Wallet will be transferred to your Digital Asset Wallet.

(b) You also acknowledge that: (1) the transfer of any Digital Asset to an incorrect address (i.e. an address other than the correct address for your Digital Asset Wallet); or (2) the transfer of any type of Digital Asset that is not supported by the Digital Asset Wallet will result in the irreversible loss of such Digital Asset. (d) Crypto.com reserves the right to reject any transfer of Digital Asset to your Digital Asset Wallet where such rejection is based on our legitimate business interests. In such a scenario, the relevant Digital Asset will not be credited to your Digital Asset Wallet and Crypto.com will effect a transfer of the same amount of the relevant Digital Asset, less any applicable fees, back to the address from which it was sent.

7.2. Digital Asset Transfers

(a) You may transfer any Digital Asset from your Digital Asset Wallet to a specified external address or to another Crypto.com App user via the Crypto.com App, with the exception of certain Digital Assets which are not supported in respect of Digital Asset Transfers, as determined by Crypto.com having regard to its legitimate business interests, and subject to change from time to time by Crypto.com based on those interests.

You should verify all transaction information prior to submitting Instructions for a Digital Asset Transfer to Crypto.com as the Digital Asset Transfer may not be cancelled or reversed once processed by Crypto.com unless Crypto.com, acting reasonably, decides that the transaction should be cancelled or reversed and is technically capable of such cancellation or reversal. You acknowledge and agree that you are responsible for ensuring the accuracy of any Instructions submitted to Crypto.com and that any errors may result in the irreversible loss of your Digital Asset.

(c) You agree to have sufficient Digital Asset in the Digital Asset Wallet prior to instructing Crypto.com to effect any Digital Asset Transfer. If your Digital Asset in your Digital Asset Wallet is not sufficient to cover the amount required for Crypto.com to complete the Digital Asset Transfer, Crypto.com will not proceed to effect the Digital Asset Transfer and Crypto.com is under no obligation to attempt to fulfil your Digital Asset Transfer using an alternative method of transfer. You hereby authorise us to debit your Digital Asset Wallet(s) for

the full amount required for Crypto.com to complete the Digital Asset Transfer.

(d) We have no control over, or liability for, the delivery, quality, safety, legality or any other aspect of any goods or services that you may purchase or sell to or from a third party. We are not responsible for ensuring that a third party buyer or a seller you transact with will complete the transaction or is authorised to do so. If you experience a problem with any goods or services purchased from, or sold to, a third party using Digital Assets transferred from your Digital Asset Wallet, or if you have a dispute with such third party, you should resolve the dispute directly with that third party.

8. FIAT TO DA CONVERSIONS

8.1. When effecting a Fiat to DA Conversion, you are buying such Digital Asset from Crypto.com directly. In this capacity, Crypto.com will be dealing as a principal on its own account and will not be acting as an intermediary or marketplace between other buyers and sellers of Digital Asset.

8.2. For a Fiat to DA Conversion to be effected, you may effect a payment to Crypto.com via:

(a) your Eligible Card by providing your Eligible Card details, as well as the relevant amount to be converted, through the Crypto.com App. In such case, you acknowledge and agree that the transfer of Fiat currency will depend on the performance of such transfer by your bank or payment card issuer(s). Upon Crypto.com's receipt of confirmation that such Eligible Card transaction has been authorised, Crypto.com will credit the relevant amount of Digital Asset to your Digital Asset Wallet;

(b) a Third-Party Digital Wallet Application, if you already have an Eligible Card linked in such Third-Party Digital Wallet Application on your Enabled Device, through the Crypto.com App. Upon Crypto.com's successful confirmation and authentication of such Eligible Card transaction has been authorized, Crypto.com will credit the relevant amount of Digital Asset to your Digital Asset Wallet; or

(c) such other additional payment methods or payment instruments that Crypto.com may from time to time approve.

You agree that only payment instruments which are issued to and/or registered in your name will be used to effect payments to Crypto.com for Fiat to DA Conversions.

8.3. All Fiat to DA Conversions are irreversible and final once you have provided the relevant Instructions and/or payments to Crypto.com and you may not change, withdraw or cancel the authorisation to us as applicable to complete any pending or partially completed transactions. We shall not be liable for any partially completed transactions or delays in the processing of your instructions, or inability to process your instructions due to delay, failure or interruption in, or unavailability of a Third-Party Digital Wallet Application. If your payment is not successful or if your payment instrument has insufficient funds, you authorise us, at our discretion, either to cancel the transaction or to debit your other payment instruments for any amount necessary to complete the transaction.

8.4 We reserve the right to cease any Third-Party Digital Wallet Application functionality enabled in the Crypto.com App at our sole discretion, having regard to our legitimate business interests. We will seek to give you as much notice of the cessation as is

reasonably practicable but there may be occasions where we may do this with little or no prior notice to you.

8.5 We do not guarantee the availability of any exchange rate.

8.6 You shall be responsible for any fees charged by your payment card issuer(s) (including but not limited to any international transaction fees, cash advance fees and transfer to overseas service charges) relating to the purchase of Digital Assets with your credit or debit card. Some banks or credit card issuers may treat the purchasing of Digital Assets with credit card as cash advance which may incur a high fee or interest rate. If you are in doubt, please check with your payment card issuer prior to the purchasing of any Digital Assets.

8A. Purchase and use of Gift Cards

8A.1 Crypto.com partners with third party gift card providers ("**Gift Card Providers**") to offer gift cards, gift certificates, and other forms of prepaid access and stored value (each a "**Gift Card**") which you may purchase via the Crypto.com App. Prior to purchasing a Gift Card, please check and be aware of any expiry date, jurisdiction limitation and any disclaimers given by the issuer of the Gift Card ("**Gift Card Issuer**") or the Gift Card Providers. It is your responsibility to carefully read and observe all terms, conditions, and disclosures relating to your purchase and use of the Gift Card. Except where required by Applicable Laws, we are unable to refund a Gift Card under any circumstance that is not set forth herein. After you purchase a Gift Card, you will receive the redemption instructions via email at the email address that you last provided to us through appropriate channels and as evidenced in our records ("Gift Card Redemption Instructions"). You may then redeem the Gift Card in accordance with the Gift Card Redemption Instructions.

8A.2 For a Gift Card that has been delivered to you via email or the Crypto.com App, unless we made a mistake by selling you a Gift Card that is not redeemable in the countries listed, we shall not be obliged to and will not refund to you the purchase value of the Gift Card. Please be aware that certain Gift Cards may only be redeemed within specified jurisdictions.

8A.3 For a Gift Card that is unable to be delivered to you after payment has been received by us due to system failure or if the Gift Card is out of stock or unavailable at the time of the transaction, we shall refund to you the purchase value of the Gift Card in full.

8A.4 Your order and use of the Gift Card is fulfilled and delivered by the Gift Card Providers, if you encounter any issues arising from the Gift Card, including the redemption of the Gift Card, we will assist you in contacting the Gift Card Provider to resolve the issues.

Notwithstanding the foregoing, we shall not be responsible for the delivery or your use of or redemption of the Gift Card.

8A.5 The risk of loss and title for Gift Cards pass to you upon the electronic transmission or transfer of the Gift Card to you or the designated recipient. You are solely responsible for safeguarding the Gift Card from unauthorised use and Crypto.com shall not be responsible if any Gift Card is lost, stolen, destroyed, or otherwise used without your permission. You agree that the Gift Card Provider and/or the Gift Card Issuer are responsible for any local requirements that relate to the respective Gift Card(s) that they provide, issue, or otherwise make available and that any discrepancy associated with such local requirements shall be disputed between you and the Gift Card Provider and/or Gift Card Issuer.

8A.6 In the event that a Gift Card Provider or Gift Card Issuer assigns the benefit of its credits to a third party, is declared insolvent, or has appointed or arranged to appoint a receiver or trustee in bankruptcy to take charge of all or part of its property and is therefore unable to fulfil your use or redemption of the Gift Card, except as expressly stated herein or otherwise provided by any Applicable Laws' consumer protection regime, Crypto.com shall not be obliged to and will not refund to you the purchase value of the Gift Card and there is a chance that you are unable to recover any amount from the Gift Card Provider or Gift Card Issuer.

8B. Purchase and use of mobile airtime

8B.1 Crypto.com offers a feature within the Crypto.com App that enables users to top up a prepaid phone number by purchasing mobile airtime with specific types of Digital Assets ("**Pay Airtime**"). Prior to purchasing Pay Airtime, please check and be aware of the restrictions and/or limitations regarding the purchase and use of Pay Airtime. It is your sole responsibility to carefully read and observe all such restrictions and/or limitations, we shall not be obliged to and will not offer any refund due to your negligence or oversight in observing any restrictions and/or limitations regarding the purchase or use of Pay Airtime. After you purchase Pay Airtime, you will receive a confirmation email to your registered email address in our records. The confirmation email acts as a record of the purchase and may include redemption instructions ("**Pay Airtime Redemption Instructions**") depending on your network operator. You may then redeem the Pay Airtime in accordance with the Pay Airtime Redemption Instructions.

8B.2 It is your sole responsibility to ensure the accuracy and correctness of the necessary information to enable your use of Pay Airtime, including, but not limited to, the phone number, the country, the network operator and the amount of the top-up. We shall not be responsible for any consequences arising from the inaccuracy or incorrectness of any information provided by you.

8B.3 For Pay Airtime that is unable to be redeemed after payment has been received by us due to our system failure, we shall refund to you the purchase value of the Pay Airtime in full.

8B.4 The purchase and use of Pay Airtime is enabled by your network operator. If you encounter any issues arising from Pay Airtime including the activation of the Pay Airtime, we will use reasonable endeavours to assist you to contact your network operator to resolve the issues, and it is in the sole discretion of your network operator to determine how to correct the issues. With regards to such issues, we shall not be obliged to and will not refund to you the purchase value of the Pay Airtime.

8C. Crypto.com Pay

8C.1 Crypto.com offers a payment solution within the Crypto.com App that enables users to send Digital Assets to other users and pay qualifying merchants with the Digital Asset of their choice ("**Crypto.com Pay**"). A receipt will be sent to your registered email address once a Crypto.com Pay transfer or purchase has been confirmed.

8C.2 If you pay for a purchase via Crypto.com Pay with CRO, you may be entitled to receive a certain amount of CRO back ("**Pay Rewards**") via the Crypto.com App after you have successfully completed your qualifying purchase from a qualifying merchant using Crypto.com Pay. This entitlement and the corresponding amount of Pay Rewards is contingent upon the merchant of record and the amount of CRO you have Locked up.

Crypto.com reserves the right to not process a payment for any reason, refuse to pay any Pay Rewards or add, remove or change the list of qualifying merchants having regard to its legitimate business interests.

8C.3 All refunds will be made in CRO regardless of the type of Digital Asset you may have used to pay for your Crypto.com Pay purchase. All refunds will be subject to a handling fee of 10 CRO, unless otherwise stated. Refunds below 10 CRO or its equivalent will not be processed, except where required by Applicable Law.

8C.4 At any given time Crypto.com, acting reasonably based on the Pay Rewards conditions that apply at that time, will determine whether Pay Rewards shall be granted or whether you shall be eligible for any refund. If you believe that you are entitled to any unreceived Pay Rewards, or your transaction is otherwise eligible for a refund, please contact us at us at contact@crypto.com.

9. OTHER PROVISIONS APPLICABLE TO OUR SERVICES

9.1. Without limiting clause 2, Crypto.com reserves the right to refuse to process or to cancel any pending request from you for any Transaction for purposes of compliance with Applicable Law and for the purposes of compliance with its legitimate business interests.

9.2. Crypto.com securely stores 100% of all Digital Asset private keys in our control in a combination of online and offline storage. As a result, it may be necessary for Crypto.com to retrieve this information from offline storage in order to facilitate a Transaction in accordance with your Instructions, which may delay the initiation or crediting of such Transaction for 48 hours or more. As a user of the Crypto.com App Services, you accept the risk that a Transaction facilitated by Crypto.com may be delayed for this reason and you agree not to hold Crypto.com responsible for any loss or damage arising out of or related to delay for this reason.

9.3. It is your sole responsibility to determine whether, and to what extent, any Taxes apply to any transactions associated with your receipt or transfer of Digital Assets, and/or to the Transactions you conduct, and to withhold, collect, report and remit the correct amounts of Taxes to the appropriate tax authorities. Your Transaction History is available through the Crypto.com App. We are not obligated to, nor will we determine whether, and to what extent, Taxes apply, or calculate, collect, report, or remit any Taxes to any tax authority arising from any transaction.

9.4. The loading of Digital Asset to your Digital Asset Wallet and/or any Transaction are subject to limits imposed by Crypto.com (as may be amended from time to time by Crypto.com having regard to its legitimate business interests, for example, fraud mitigation and other risk management considerations to mitigate the risk of Crypto.com or you suffering financial loss). Such limits are set out in the Crypto.com App but Crypto.com may apply different limits to you specifically, having regard to its legitimate business interests as explained above. We may also require you to submit additional information about yourself or any Transaction you have effected.

9A. FORK

9A.1 You acknowledge and agree that the underlying protocols of the Digital Assets'

networks are subject to changes (each a "**Fork**") which are exogenous to Crypto.com and may result in more than one version of such network (each a "**Forked Network**"). You further acknowledge and agree that Forks may materially affect the value, function, and/or name, and may result in loss of control or ownership, of the Digital Assets you hold on the your Digital Asset Wallet.

9A.2. If a Fork occurs, it will result in the creation of a new Digital Asset (the "**New Forked Asset**") related to an existing Digital Asset (the "**Prior Asset**"). You further acknowledge and agree that each Fork may materially affect the value, function, and/or name, and may result in loss of control or ownership, of the Prior Asset that we hold in your Crypto.com account, and that the New Forked Asset and/or Prior Asset may have minimal or no value.

9A.3 Upon becoming aware of a Fork and to the extent that we have any rights or are able to take any action, in the event of a Fork, Crypto.com may temporarily suspend or amend any Crypto.com App Services or any Digital Assets for an extended period of time (with or without advance notice to you) until we have determined (having regard to our legitimate business interests) that such functionality can be restored. We may also determine, having regard to those legitimate business interests, whether or not to support the Forked Network(s) and who should have ownership or receive New Forked Assets and/or benefits (if any). This could occur with potentially little or no warning and your ability to use the Services or Digital Assets may be limited and subject to the Fork. In the event that Crypto.com decides not to support any such New Forked Network ("**Unsupported Forked Network**"), the Digital Assets offered by such Unsupported Forked Networks will not be made available to you. Notwithstanding the foregoing, we may, obtain and retain the New Forked Assets offered by such Unsupported Forked Network as property belonging solely to Crypto.com.

9A.4 You acknowledge and agree that you have no right, claim or privilege in, or with respect to, any New Forked Asset. If we do not support a New Forked Asset, you may not be able to withdraw the New Forked Asset promptly or at all; you may not be able to trade the New Forked Asset on the Crypto.com App or otherwise on our platform; and you may lose any value associated with such New Forked Asset.

9A.5 If we determine not to support a New Forked Asset, we may, having regard to our legitimate business interests:

- (i) obtain and retain the New Forked Asset as property belonging to us; or
- (ii) make the New Forked Asset available to you on a one-time basis, based on your holding of the Prior Asset at the time of the Fork, subject to the withholding and retention by us of an amount reasonably calculated to fairly compensate us for the cost of making such New Forked Asset available and subject to our withdrawal procedures.

We will notify you only if we elect to permit a one-time withdrawal pursuant to (ii) above.

9A.6 You acknowledge the risks presented by Forks and hereby accept that we have no responsibility for any losses or damage arising as a result of an Unsupported Forked Network, except to the extent that the loss or damage is caused by our mistake, fraud, negligence or wilful misconduct, or the mistake, fraud, negligence or wilful misconduct of our employees, officers, contractors or agents.

9A.7 WE HAVE NO CONTROL OVER, NOR DO WE HAVE THE ABILITY TO INFLUENCE, THE CREATION OR IMPLEMENTATION OF A FORK OR OF THE NEW FORKED ASSET. WE CAN

PROVIDE NO ASSURANCES ABOUT THE SECURITY, FUNCTIONALITY OR SUPPLY OF ANY DIGITAL ASSET, INCLUDING BOTH THE NEW FORKED ASSET AND THE PRIOR ASSET. YOU ACKNOWLEDGE AND AGREE THAT WE ASSUME NO LIABILITY RELATING TO ANY CHANGE IN THE VALUE OF ANY DIGITAL ASSET (WHETHER OR NOT RESULTING FROM A FORK). YOU UNDERSTAND, ACKNOWLEDGE AND AGREE THAT A FORK COULD CONSTITUTE A FORCE MAJEURE EVENT BEYOND OUR REASONABLE CONTROL, WHICH COULD AFFECT THE VALUE OF YOUR DIGITAL ASSETS, AND THAT CRYPTO.COM DOES NOT ASSUME ANY LIABILITY FOR LOSSES RESULTING FROM SUCH EVENTS.

9B. ACCOUNT PROTECTION PROGRAM

9B.1 If we determine there has been an Unauthorised Transaction, we may provide relief to you ("**APP Relief**") subject to the remainder of this Clause 9B and your continued adherence to these Terms.

9B.2 APP Relief shall not be available with respect to Crypto.com Pay and the Crypto.com Visa Card.

9B.3 You must satisfy all conditions imposed by Us under the Terms and as further clarified in the [FAQs](#), as may be updated from time to time, in order to be eligible for consideration for APP Relief. These conditions are not contractual rights given to you. They are the terms on which we may decide to make our discretionary APP Relief available.

9B.4 To assess your eligibility for APP Relief, we may request for relevant information and documents from you or any other third party sources. By providing such information, you give your consent to us and our respective representatives or agents to collect, use, store, transfer and/or disclose the information, to or with all such persons (including any member of Crypto.com or any third party service provider, and whether within or outside of Australia) for the purpose of enabling us to assess your eligibility for APP Relief.

9B.5 We will determine whether you should obtain relief and the quantum of such relief (up to the maximum amounts specified under Clause 9B.8). Our determination is final. In accepting any APP relief, you also agree that (i) we reserve the right to set off any outstanding funds that you may owe us and (ii) you waive any claims or rights you may have against us for the full value of the Unauthorised Transaction. We also reserve the right to rescind full or partial payments made pursuant to this APP, or to take any other actions against you if we subsequently reasonably determine that any information that you have provided was untrue, or that your conduct involved bad faith, dishonesty, or fraud.

9B.6 If we make a determination in your favour, we maintain any and all rights under these Terms which are consistent with that determination. Notwithstanding the rest of this Clause 9B, You hereby agree that we shall not be deemed to have waived our rights under clauses 3.2, 6.2, 14.1 and 17.2(v) and that all such Terms remain in full force and effect in relation to all other Transactions and Fiat Withdrawals.

9B.7 If we determine that you should obtain relief under this section, we may calculate your relief as follows, subject to the upper limit set out in clause 9B.8:

- (a) In the case of a Transaction which is an Unauthorised Transaction, we will give you the amount of the relevant Digital Asset or other Digital Asset at our discretion that is up to the amount that was lost, reduced by any Digital Assets / funds which may

be recovered.

- (b) In the case of Fiat Withdrawal that is an Unauthorised Transaction, we will give you the amount that is up to the amount of that Unauthorised Transaction. This is regardless of whether the exchange rate of that currency relative to any other currency has changed since the date of the Unauthorised Transaction.

9B.8 The APP Relief is:

- (a) in the case of Digital Assets, a maximum of USD 250,000 calculated at our discretion by reference to the USD price of those assets, either:
 - (i) as of the date of the Unauthorised Transaction; or
 - (ii) as at the date that APP Relief is disbursed.
- (b) in the case of Fiat currency, maximum of:
 - (i) USD 250,000 if USD was the currency subject to the Unauthorised Transaction or transfer; or
 - (ii) the equivalent of USD 250,000 in the currency of the Unauthorised Transaction or transfer, calculated at the conversion rate (as between USD and the second- mentioned currency) as at the end-of-day-average of the date of the Unauthorised Transaction.

9B.9 You hereby agree and acknowledge that we maintain the full right and discretion to:

- (a) provide APP Relief in such type and form as we deem fit, including by way of any currency, legal tender or medium or exchange; (b) consider and determine the applicable conversion rates with reference to real-time market rates; and (c) amend the terms of as well as suspend or terminate the availability of this discretionary, non-contractual APP Relief without prior notice to you, including where APP Relief becomes subject to any prohibitions or restrictions arising from Applicable Law in the Territory.

9B.10 You hereby acknowledge and agree that our determination under Clause 9B.4 is full and final, and shall not enliven any process of appeal or further contest.

9C. AIRDROPS

9C.1 In the event of an Airdrop, Crypto.com may temporarily suspend any Crypto.com App Services or any Digital Assets for an extended period of time (with or without advance notice to you) until we have determined that such functionality can be restored. This could occur with potentially little or no warning and your ability to use the Services or Digital Assets may be limited and subject to the Airdrop.

9C.2 Upon becoming aware of an Airdrop and to the extent that we have any rights or are able to take any action, we may in our sole discretion determine whether to credit any Digital Assets and/or benefits received by us to a Crypto.com account or participate in an Airdrop, and upon what terms to do so, such decision regarding the Digital Assets and/or benefits remains with us at all times. Where we act, or refrain from acting, having regard to our legitimate business interests, we will not be liable to you for failure to credit any Digital Asset and/or benefits to you or participate in any Airdrop. If we do not support an Airdrop, we may claim such Airdrop and any Digital Asset and/or benefits in relation to it, for our own benefit (unless it is unavoidable or impractical to avoid based on the means of distribution). Where due to an

Airdrop, any airdropped Digital Assets and/or benefits in respect of any Digital Assets have been received by you directly, we may claim such airdropped Digital Assets and/or benefits from you and you agree to return such airdropped Digital Assets and/or benefits to us. You further agree that any Digital Assets and/or benefits in relation to an Airdrop does not create or represent any relationship between us and the sender and/or the related Digital Asset network, and that we are not subject to any obligations whatsoever as they relate to the sender and/or the related Digital Asset network.

We shall be entitled to assume that all Instructions received from your Enabled Device via the Crypto.com App are yours. We shall be under no obligation whatsoever to verify that such Instructions are in fact yours.

14.2. You shall not be entitled to any payment, compensation or damages from us in relation to any suspension, reversal or termination of your use of the Crypto.com App Services except to the extent that the payment, compensation or damages is for our mistake, fraud, negligence or wilful misconduct, or the mistake, fraud, negligence or wilful misconduct of our employees, officers, contractors or agents. Any limitation, suspension or termination of your use of the Crypto.com App Services for any reason shall not release you from any liability or responsibility on your part, which at the time of such limitation, suspension or termination, has already accrued.

If you have any questions about this Clause, please contact us at contact@crypto.com.

15.6 We may at any time and without notice to you (i) set off any amount we owe you against any amount that you owe us; or (ii) recover any amount you owe us (in either case, whether or not the obligation is matured or contingent and irrespective of the currency, asset or place of payment).
