1. Terms and Conditions for the CRYPTO.COM Cash (USD) Account. Terms and Conditions for the CRYPTO.COM Cash (USD) Account. This document constitutes the agreement (“**Agreement**”) outlining the terms and conditions between you and Foris DAX Inc. (as applicable, “**Foris**”) as described in the App T&C for the use of the CRYPTO.COM Cash (USD) Account (“**USD Account**”). Your use of the Crypto.com mobile application is governed by the Crypto.com App U.S. Terms and Conditions (“**App T&C**”), as amended from time to time, which are incorporated herein by reference. Defined terms used herein not otherwise defined shall have the same meanings as in the App T&C. Defined terms used herein not otherwise defined shall have the same meaning as in the App T&C.

By accepting and/or using the USD Account, you agree to be bound by the terms and conditions contained in this Agreement, and the App T&C. If there is any conflict between this Agreement and the App T&C, this Agreement shall control.

The customer service telephone number is 1-888-824-8817. In this Agreement, “**Account**” means the Account associated with your USD Account and the records we maintain to account for the value of transactions associated with the USD Account. “**You**” and “**your**” means the person or persons who have received the USD Account and who are authorized to use the Wallet as provided for in this Agreement. “**We**”, “**us**”, and “**our**” mean Foris. The USD Account is non-transferable, and it may be canceled, repossessed, or revoked by us at any time without prior notice subject to applicable law. Please read this Agreement carefully and keep it for future reference.

2. Collection of Personal Information. To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions and their third parties to obtain, verify, and record information that identifies each person who obtains a USD Account. What this means for you: When you apply for a USD Account, we will ask for your name, address, date of birth, social security number or country identification number, and other information that will allow us to identify you. We also may ask to see your driver's license or other documentation bearing your photo as verification of your identity. You hereby represent and warrant that any and all information provided to us is always complete, accurate, up to date in all respects, and that in the event that such information ceases to be complete, accurate and up to date, you shall provide us such revised and updated information without delay. If at any time we believe that your information is outdated or inaccurate, we may contact you and request further information or request that you go through the verification process again. Failure to provide up-to-date information may result in your inability or termination to or adversely affect your use of the USD Account. You undertake to indemnify us for any and all losses incurred as a result of your failure to provide complete, accurate and up-to-date information. In addition, funds tied to suspected illicit or illegal activity may be subject to both internal and potentially law enforcement investigation. We reserve the right to restrict or delay your access to any such USD Funds.

For further information about how your data are used and processed, please refer to our Privacy Notice.

3. Your USD Account. The USD Account allows you to access, load, deposit, store, withdraw or transfer USD Funds in your USD Account which is a feature within the Crypto.com App. The USD Account is not a depository account or other account with any depository institution. We may place customer USD Account funds in permissible investments in accordance with applicable law. USD Funds in your USD Account held at Community Federal Savings Bank or an alternative bank partner (each a “**Depository Institution**”) will be placed by Crypto.com at the applicable institution in an omnibus custody account that also holds USD Funds

in USD Accounts of other Crypto.com customers. Any USD Funds placed at Community Federal Savings Bank may be further placed by Community Federal Savings Bank at other FDIC member and insured depository institution as listed [here](https://www.cfsb.com/fdic/) (<https://www.cfsb.com/fdic/>) ("**Network Banks**"). The list of Network Banks is subject to change from time to time. You retain beneficial ownership of your USD Funds in the applicable account(s), but your USD Account and associated Account are not provided by, and you are not a customer of, the Depository Institution or the Network Banks. In the event we choose to place your funds in permissible investments, we may place your funds with one or more other financial institutions for such purpose, including non-Depository Institutions, in which case the funds in your USD Account would not be held at a FDIC-insured institution. For clarity, we have no ownership of USD Funds in your USD Account, and our only control of or discretion over USD Funds in USD Accounts is to execute your instructions and to choose how and where your funds are placed, including whether such funds are placed in a Depository Institution or in permissible investments. You will not receive any interest on your USD Funds, including any financial returns on any such funds placed in permissible investments. The USD Funds in your USD Account will not expire but may be subject to fees, as disclosed in Schedule A. While USD Funds in your USD Account are held at a Depository Institution or a Network Bank that is FDIC-insured, they are insured by the FDIC up to \$250,000 in the event the institution fails, if specific deposit insurance requirements are met. It is your responsibility to determine if the amount of funds you have (including USD Funds held in your USD Account and other funds) at any Depository Institution or Network Bank (or any replacement Depository Institution) exceeds the maximum amount insured by the FDIC. FDIC insurance does not protect your funds in the event of the failure of Crypto.com or against the risk of theft or fraud. Digital Assets are not deposits with, held by or guaranteed by any Depository Institution, are not FDIC-insured, and are subject to investment risk, including possible loss of the principal amount invested.

4. Authorized Users. If you permit another person to have access to your USD Account, you are liable for all transactions made with the USD Account, including those initiated through peer-to-peer (P2P) transfer features, and for all related fees incurred by those persons, to the extent permitted by applicable law. To cancel your USD Account, you may contact us by the telephone, the toll-free number at 1-888-824-8817 or by email at <https://chat.crypto.com/>. If you tell us to revoke (cancel) another person's use of your Account, we will revoke (cancel) your Account. For any recurring or scheduled transfers, you must provide notice of revocation at least three business days before the next scheduled transfer. You are wholly responsible for the use of your Account according to the terms of this Agreement, and other applicable laws.

5. USD Account Use. Subject to the limitations set forth in this Agreement, you may use your USD Account to: (1) add funds to your USD Account (as described in the Section below titled "Adding Funds to Your USD Account"); (2) purchase cryptocurrency within the Crypto.com App, subject to the App T&C; (3) top up funds to your Crypto.com Visa Card subject to the applicable Crypto.com Visa Card T&Cs; and (4) send funds to another eligible Crypto.com App user within the US, subject to the App T&C. You agree that you will use your USD Account solely for your own personal use and not for any business or commercial purposes.

You will be provided with a 14-digit Account Number once your identity has been verified. Your assigned Account Number is for the purpose of initiating direct deposits to your USD Account and authorized ACH debit transactions only. You are not authorized to use the Account Number if you do not have sufficient funds in your Account or to make a debit transaction with a paper check, check-by-phone or other item processed as a check. These debits will be declined and your payment will not be processed. You also may be charged an ACH Decline Fee (see the "Schedule of Fees and Charges" attached to this Agreement).

6. Limitations on Frequency and Dollar Amounts of Transactions. See Transaction Limits amounts set forth in Schedule A below. The maximum aggregate value of your USD Account Account is restricted to \$100,000 at any point in time. For security reasons, we may further limit the number or dollar amount of transactions you can make with your Account. Schedule B sets out the frequency and limitations of permissible transactions in your USD Account, which may be revised from time to time. Please note that different Transaction Limits apply to the Crypto.com Web App, which are also set out in Schedule A below.

7. Adding Funds to Your USD Account. You may add funds in USD to your USD Account at any time. You agree to meet identification requirements to complete value load transactions as may be required from time to time. You also may direct deposit USD to your USD Account by providing the routing number and your assigned Account Number to your employer or other Direct deposit payor (as described in the Section above titled “USD Account Use”). You cannot load your USD Account by check or money order. You may also deposit funds to your USD Account by wire transfer using your bank’s portal. Only wire transfers initiated from your bank account are accepted. Cash and check deposits are not accepted. Funds transferred from non-U.S. bank accounts will be rejected. Only funds transferred from U.S. bank accounts are accepted.

Instant ACH Deposits. By initiating an Instant ACH Deposit, you authorize us to debit your bank account and represent that you have sufficient funds in your bank account for such Instant ACH Deposit. Deposits initiated through Instant ACH will be available nearly instantaneously to use for the purchase of digital assets, or transfer to your segregated account at Crypto.com | Derivatives North America (“CDNA”) for transactions on CDNA (subject to CDNA’s terms and requirements for transactions). Following an Instant ACH Deposit, you will be restricted for seven (7) business days from initiating any outgoing transfers including, but not limited to, USD withdrawals, digital asset transfers, and card top ups in an amount equivalent to the pending Instant ACH Deposit. If an Instant ACH Deposit fails to settle, any amount used to purchase digital assets will be deemed an outstanding balance to be repaid. Whenever you have an outstanding balance, you will be further restricted from purchasing or selling digital assets in an amount equivalent to such outstanding balance. If you initiate any Instant ACH Deposits when you have an outstanding balance, only amounts in excess of your outstanding balance will become available to you with such amounts restricted up to seven (7) business days from outgoing transfers including, but not limited to, USD withdrawals, digital asset transfers, and card top ups. **In the event that an outstanding balance is not repaid within twenty-four (24) hours, we reserve the right to seize and/or liquidate digital assets held in your account to repay such outstanding balance.**

Early Direct Deposit. We will make direct deposits from your employer available to you up to three (3) business days early when we receive payment instructions before your scheduled payment date, but it may take up to two (2) payment cycles for Early Direct Deposit to take effect. We will make direct deposits from your state government and the federal government up to five (5) business days early when we receive payment instructions before your scheduled payment date. Availability and timing of Early Direct Deposits may vary based on the payer and when we receive payment instructions.

Credit Card, Debit Card, Apple Pay, Google Pay, and PayPal. You may also instantly add funds to your USD Account via credit card, debit card, Apple Pay, Google Pay, or PayPal. For more information on how to do this, please refer to our FAQ pages [here](#) and [here](#). We reserve the right to change the fees and limits stated in the aforementioned FAQ pages, and the “Schedule of Fees and Charges” attached to this Agreement, from time to time with reasonable notice to you in accordance with Applicable Law. We shall not be liable for any partially completed transactions or delays in the processing of your instructions, or inability to process your instructions due to delay, failure or interruption in, or unavailability of any of the

above top-up methods caused by any third-parties, and which are not within our control. If your USD Account top-up is not successful for any reason (including where we and/or our third-party payment processing service providers detect potential fraud) you authorize us, in our sole discretion, to void the transaction. In such a scenario, your funds will not be deducted from the original payment instrument.

We reserve the right to cease any of the above methods of USD Account top-up at our sole discretion without notice to you where allowed by Applicable Law. You shall be responsible for any fees charged by your payment card issuer relating to your USD Account top-up. If you are in doubt, please check with your payment card issuer prior to executing a USD Account top-up.

8. Using Your Account to Get Cash. You may not withdraw cash from your USD Account. However, you may transfer funds out to your U.S. Bank Account.

9. Your Obligation for Negative Balance Transactions. Each time you initiate a transaction, you authorize the Foris to deduct the USD Funds available in your USD Account by the amount of the transaction and all associated fees. You are not allowed to initiate a transaction that exceeds the available amount in your USD Account through an individual transaction or a series of transactions (creating a “negative balance”). Nevertheless, if any transactions cause the balance in your Account to go negative, you shall remain fully liable to us for the amount of any negative balance and any corresponding transaction fees. You may also be liable for any related Insufficient Funds/NSF Fee(s) as set forth in the accompanying “Schedule of Fees and Charges (Schedule A).” We reserve the right to bill you for any negative balance or to recoup such negative balance from any other Accounts we have issued to you, including your other accounts within your Crypto.com App. You agree to pay us promptly for the negative balance and any related fees. We also reserve the right to cancel your Account if you create one or more negative balances with your Account.

10. Business Days. Our business days are Monday through Friday, excluding federal and legal banking holidays in the State of New York.

11. Preauthorized Credits. If you have arranged to have direct deposits made to your Account at least once every sixty (60) days from the same person or company and you do not receive a receipt/statement (paystub), you can call us at 1-888-824-8817 or email us at <https://chat.crypto.com/> to find out whether or not the deposit was made.

12. Right to Stop Pre-authorized Payments. If you have told us in advance to make regular payments with your Account, you can stop any of these payments. Here’s how: Call us at 1-888-824-8817 or email us at <https://chat.crypto.com/> in time for us to receive your request three (3) business days or more before the payment is scheduled to be made. If we do not receive your request at least three (3) business days before the scheduled payment date, we may attempt, in our sole discretion, to stop the payment. However, we assume no responsibility for our failure or refusal to do so, even if we accept your stop-payment request. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. If we do not receive the written request within 14 days after you call, we may honor subsequent payments with your Account. Unless you tell us that all future payments to a specific recipient are to be stopped, we may treat your stop-payment order as a request concerning one specific payment only. If you order us to stop one of these payments three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages to the extent provided in this

Agreement or required by law. If these regular payments may vary in amount, the person you are going to pay should tell you, at least 10 days before each payment, when it will be made and how much it will be. Please note that the person you are going to pay may give you the option of receiving notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.

13. USD Account Cancellation and Suspension; Limits. We reserve the right, in our sole discretion, to limit your use of the USD Account, including canceling, reversing, suspending, limiting or prohibiting any suspicious or questionable transactions. We may refuse to issue an account, revoke account privileges or incentives or cancel your account with or without cause or notice, other than as required by applicable law. If you would like to cancel the use of your Account, you may do so by calling 1-888-824-8817 or emailing <https://chat.crypto.com/>. You agree not to use or allow others to use an expired, revoked, canceled, suspended or otherwise invalid Account. Our cancellation of account privileges will not otherwise affect your rights and obligations under this Agreement. If we cancel or suspend your account privileges through no fault of yours, you will be entitled to a refund as provided below in the Section titled "Amendment and Cancellation." Not all services described in this Agreement are available to all persons or at all locations. We reserve the right to limit, at our sole discretion, the provision of any such services to any person or in any location. Any offer of a service in this Agreement shall be deemed void where prohibited. We can waive or delay enforcement of any of our rights under this Agreement without losing them.

14. Receipts. For transfers made via the USD Account, the receipt will be available via the Crypto.com App.

15. Obtaining Balance and Transaction Information for Your Account; Periodic Statements Alternative. You should keep track of the amount of USD Funds available in your USD Account. 17. Our Liability for Failure to Complete Transactions. In no event will we be liable for consequential damages (including lost profits), extraordinary damages, special or punitive damages. We will not be liable, for instance: (1) if, through no fault of ours or our partners, you do not have enough funds available in your Account to complete the transaction; (2) if access to your Account has been blocked after you reported your Access Code lost or stolen; (3) if there is a hold or your funds are subject to legal process or other encumbrance restricting their use; (4) if we have reason to believe the requested transaction is unauthorized; (5) if circumstances beyond our control (such as fire, flood or computer or communication failure) prevent the completion of the transaction, despite reasonable precautions that we have taken; or (6) for any other exception stated in our Agreement with you.

18. In Case of Errors or Questions about your Account. Contact customer service at 1-888-824-8817 or through the Crypto.com App or write to Crypto.com Customer Service, 110 N. If you tell us orally, we will require that you send your complaint or question in writing within ten (10) business days. We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will provisionally credit your Account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes to complete the investigation. If you do not have wages, salary, or other employee compensation that are made on a recurring basis or federal payments (for example, Social Security benefits, tax refunds or other government payments) deposited to your Account, we may not credit your Account. If we ask you to put your complaint or question in writing and you do not provide it within ten (10) business days, we may not credit your Account. For errors involving new accounts, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. We will tell you the results within three (3) business days after completing the investigation. If we decide that there was no error, we will send you a written explanation and debit your Account for the amount of the provisional credit. You may ask for copies of the documents that we used in our investigation. If you need more information about our error-resolution procedures, call us at the customer service number. *** If your Account does not receive wages, salary, or other employee compensation that is made on a recurring basis or does not receive electronic deposits of federal payments, all of this Section applies, except we will not credit your Account until our investigation is complete and we have determined an error occurred.***

Tell us AT ONCE if you believe your Account or Access Code(s) has been lost or stolen. Also, if your transaction history shows transfers that you did not make, including those made with your Account Number, or you believe an electronic transfer has been made without your permission, tell us at once. Telephoning the toll-free number 1-888-824-8817 is the best way of keeping your possible losses down. You could lose all of the money in your Account.

The following provisions of this Section apply to all Accounts: You will not be liable for unauthorized use that occurs after you notify us of the loss, theft or unauthorized use of your Account or Access Code(s). You also agree to cooperate completely with us in attempts to recover funds from unauthorized users and

to assist in their prosecution. We may issue a replacement account(s) or Access Code(s), but only after you have provided such proof and security or indemnification as we may require. In addition, you acknowledge that we may have to deactivate your Account to prevent future losses. If you share your Account(s) or Access Code(s) with another person, use of your Account by that person may be considered as authorized. If you authorize another person to use your Account or Access Code(s), you agree that you will be liable for all transactions arising from use of the Account or Access Code(s) by such person except as otherwise set forth in this Agreement. In all cases, our liability for an unauthorized transaction is limited to reimbursing you for the face amount of the unauthorized transaction with **which we are at fault** and any corresponding fees, except as otherwise required by applicable law. A transaction is unauthorized if it is not initiated by you, or you did not give permission to make the transaction. You are solely responsible for keeping the Access Code(s) and passcode for your Crypto.com Wallet Account safe and for any activity conducted under your Account. You will retain full liability for all losses as a result of failure to do so.

21. Other Terms. Your Account and your obligations under this Agreement may not be assigned. We may transfer our rights under this Agreement. Use of your USD Account is subject to all applicable rules and customs of any clearinghouse or other association involved in transactions. We and our bank do not waive our rights by delaying or failing to exercise them at any time. 22. Amendment and Cancellation. We may amend or change the terms and conditions of this Agreement at any time. You also may cancel this Agreement by calling 1-888-824-8817. If you cancel your Account, you must zero out your Account balance before closing your Account. If your Account is canceled by us when your Account has a balance, we will send you a check in the amount of your Account balance at no charge. In all events, any check we send will be sent to the address we have for you in our records. Your termination of this Agreement will not affect any of our rights or your obligations arising under this Agreement before termination.
