1. Legal Disclaimers

The MCO Token Sale was completed in June 2017. This updated whitepaper is for informational purposes only and does not constitute any legal relations between you and Crypto.com and its affiliates (collectively referred to as “Crypto.com”). This whitepaper is a working document that is subject to review and changes.

Eligible participants

Eligibility for participation in the initiatives described in this whitepaper (if and when completed) is not guaranteed and is likely to be subject to legal and regulatory restrictions. Citizens or residents of Hong Kong SAR are specifically excluded and ineligible to participate in Crypto.com’s initiatives.

Licences and approvals are not assured in all jurisdictions

The Company and its subsidiaries intend to operate in full compliance with applicable laws and regulations and obtain the necessary licences and approvals. This means that the development and roll-out of all the initiatives described in this whitepaper are not guaranteed. Regulatory licences and/or approvals are likely to be required in a number of relevant jurisdictions in which relevant activities may take place. It is not possible to guarantee, and no person makes any assurances, that any such licences or approvals will be obtained within a particular timeframe or at all. This means that the initiatives described in this whitepaper may not be available in certain markets, or at all. This could require restructuring of these initiatives and/or its unavailability in all or certain respects. In addition, the development of any initiatives is intended to be implemented in stages. During certain stages of development, the project may rely on relationships with certain licensed third party entities. If these entities are no longer properly licensed in the relevant jurisdiction, this will impact the ability of the Company to rely on the services of that party.

No advice

This whitepaper does not constitute advice to purchase any MCO Tokens nor should it be relied upon in connection with any other contract or purchasing decision.

No representations

No representations or warranties have been made to the recipient or its advisers as to the accuracy or completeness of the information, statements, opinions or matters (express or implied) arising out of, contained in or derived from this whitepaper or any omission from this document or of any other written or oral information or opinions provided now or in the future to any interested party or their advisers. No representation or warranty is given as to the achievement or reasonableness of any plans, future projections or prospects and nothing in this document is or should be relied upon as a promise or representation as to the future. To the fullest extent possible, all liability for any loss or damage of whatsoever kind (whether foreseeable or not) which may arise from any person acting on any information and opinions contained in this whitepaper or any information which is made available in connection with any further enquiries, notwithstanding any negligence, default or lack of care, is disclaimed.

Translations

This whitepaper and related materials are issued in English. Any translation is for reference purposes only and is not certified by any person. If there is any inconsistency between a translation and the English version of this whitepaper, the English version prevails.

Restricted transmission

This whitepaper must not be taken or transmitted to any jurisdiction where distribution or dissemination of this whitepaper is prohibited or restricted.

No review by any regulatory authority

This whitepaper has not been reviewed by any regulatory authority.

Third party references

References in this whitepaper to specific companies, networks and/or potential use cases are for illustrative purposes only. The use of any company and/or platform names and trademarks does not imply any affiliation with, or endorsement by, any of those parties.

All references to 'dollars', USD or '\$' are references to United States dollars unless otherwise stated.

Graphics

All graphics included in this whitepaper are for illustrative purpose only. In particular, graphics with price reference do not translate into actual pricing information.

Risk statements

Cryptographic tokens may be subject to expropriation and/or theft; hackers or other malicious groups or organizations may attempt to interfere with our system/network in various ways, including malware attacks, denial of service attacks, consensus-based attacks, Sybil attacks, smurfing, and spoofing which may result in the loss of your cryptographic tokens, the loss of your ability to access or control your cryptographic tokens. In such event, there may be no remedy, and holders of cryptographic tokens are not guaranteed any remedy, refund, or compensation.

The regulatory status of cryptographic tokens and digital assets is currently unsettled, varies among jurisdictions and subject to significant uncertainty. It is possible that in the future, certain laws, regulations, policies or rules relating to cryptographic tokens, digital assets, blockchain technology, or blockchain applications may be implemented which directly or indirectly affect or restrict cryptographic token holders' right to acquire, own, hold, sell, convert, trade, or use cryptographic tokens.

The uncertainty in tax legislation relating to cryptographic tokens and digital assets may expose cryptographic token holders to tax consequences associated with the use or trading of cryptographic token.

Digital assets and financial products and services carry significant risks. Potential purchasers should assess the nature of, and their own appetite for, relevant risks independently and consult their advisers before making any decisions.

Caution Regarding Forward-Looking Statements

This whitepaper contains certain statements that are forward-looking, by their nature, subject to significant risks and uncertainties. Our forward-looking statements are based on information currently available to us about the business that we operate.

Forward-looking statements may involve estimates and assumptions and are subject to risks, uncertainties and other factors beyond our control and prediction. Accordingly, these factors could cause actual results or outcomes that differ materially from those expressed in the forward-looking statements.

Any forward-looking statement speaks only as of the date of which such statement is made, we undertake no obligation to update any forward-looking statements to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of unanticipated events.

2. Abstract

The company started in June 2016 with the vision of cryptocurrency in every wallet.

Crypto.com is redefining how money is being moved, spent and invested. We are powering the Future of Money. Today.

Crypto.com is democratizing blockchain technology by designing beautiful, simple and useful financial services that have a lasting, positive impact on people's lives.

Crypto.com completed the MCO token sale in June 2017. The project is fully funded. This is not a fundraising document. The objective of the Crypto.com Whitepaper 2.0 is to present our vision, product and strategy.

3. Mission, Vision, Core Values & Competence Areas

Our Mission

Accelerating the World's Transition to Cryptocurrency.

Our Vision

Cryptocurrency in Every Wallet™.

Our Core Values

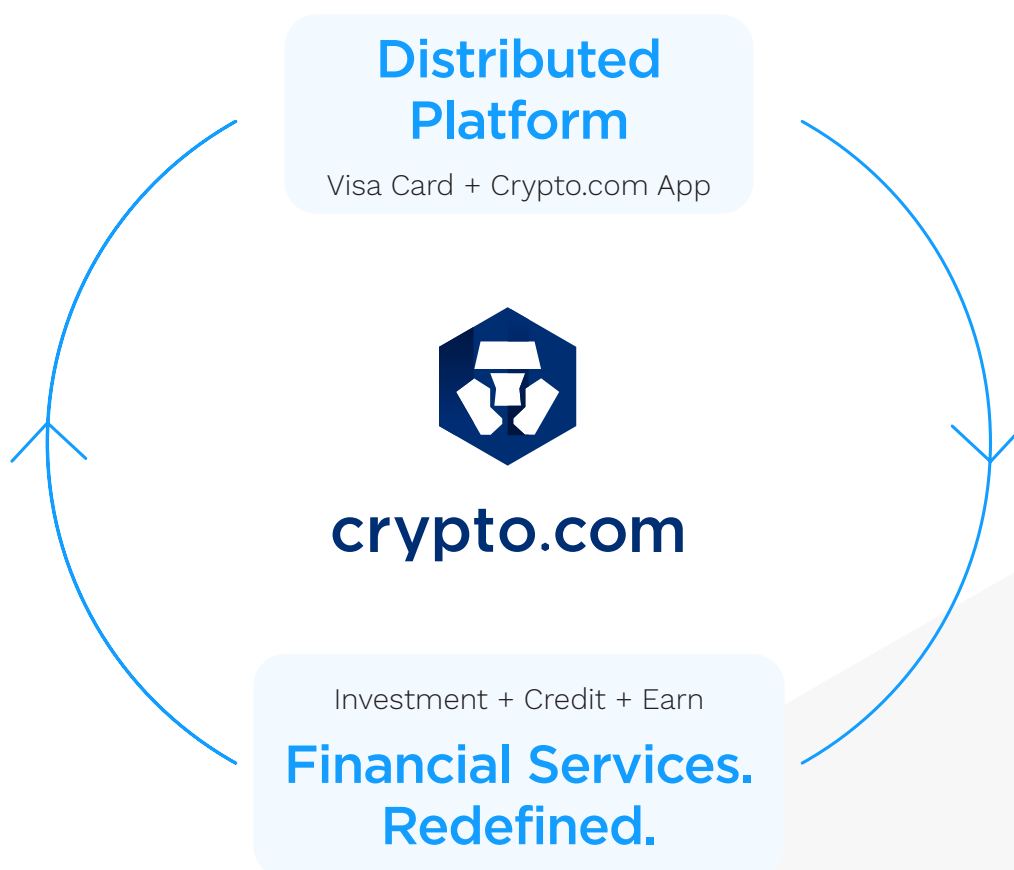

Think Clearly, Be Resourceful, Stay Determined, Dream Big & Be Decisive, Act as Owners, Remain Humble.

Our Competence Areas

Engineering, Compliance & User Experience Design.

4. Strategy

We believe that it's your basic human right to control your money, data and identity. Crypto.com is building an outstanding and defensible platform to **solve access and usability challenges** in the blockchain industry, and **power redefined financial services** to improve our customers' lives.

The Crypto.com includes the **Crypto.com App** (to buy, exchange, send and track cryptocurrency) and the **MCO Visa Card** (to spend your cryptocurrency in the real world).

Leveraging on the distributed platform, Crypto.com is building an innovative portfolio management product **"Crypto Invest"** (to easily buy a basket of cryptocurrency), an instant loan product **"Crypto Credit"** (to get credit to spend on your MCO Visa Card by depositing cryptocurrency as collateral) and **"Crypto Earn"** (to earn interest on cryptocurrency deposits).

Our strategy is to use the Crypto.com app as the distribution platform. We plan to continue re-investing in both products' benefits to make them even more attractive for customers.

5. Track Record

◆ MCO Token Utility

MCO Tokens are able to be used and/or earned in connection with this product by eligible persons in the following key ways:

- Enables customers to order metal MCO Visa Cards by staking MCO Tokens
- Customer receives up to 5% back on all spending in MCO Token each time they transact with their MCO Visa Card
- Enables customers to upgrade reserved MCO Visa Card to a higher tier before their card ships by staking more MCO Tokens
- MCO Stake Rewards: Receive MCO at 6% p.a. for 500 and 8% p.a. for 5,000 and 50,000 tiers while these MCO are staked for cards

Obsidian Black Card *Numerus Clausus* Increase

The Limited Edition MCO Obsidian Black Card will be issued to the first 999 customers of the MCO Token Sale. Each of the cards has a unique number engraved from 001 to 999 accompanied by the words "Founding Member". The priority of the numbers is set according to the following rules:

001-499 – assigned to the top Token Sale contributors

500-999 – assigned to the fastest Token Sale contributors, based on timestamp of their contribution

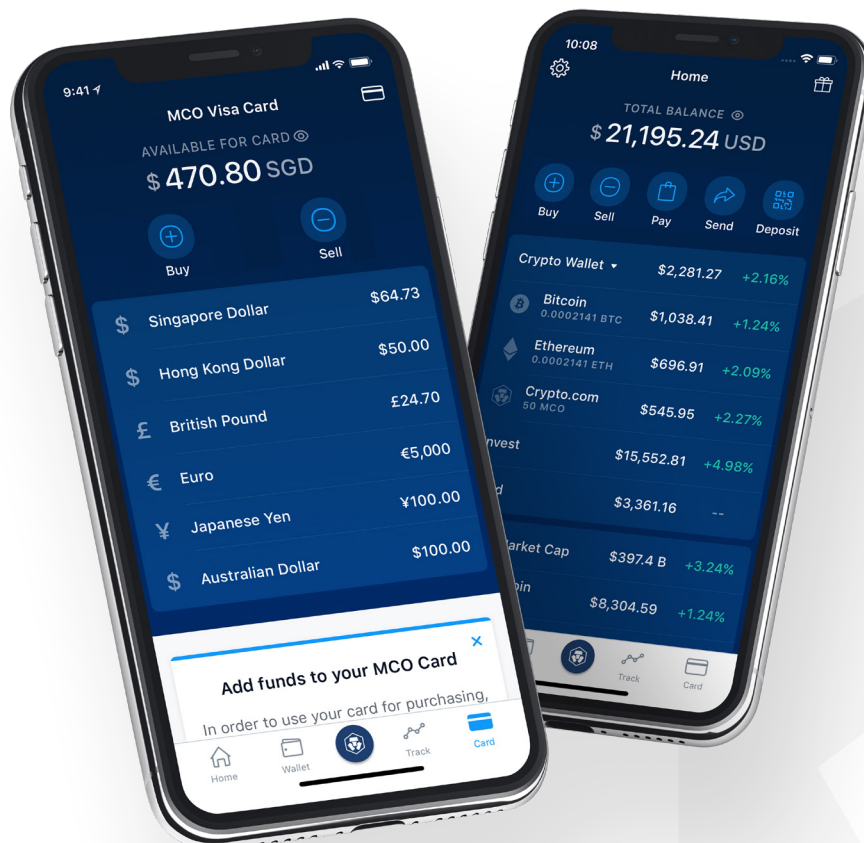

Upon receiving the MCO Obsidian Black Card, the Founding Members are eligible for card-associated benefits, including % back, Airport Lounge access plus one guest, and the best transaction FX/ withdrawal limits. The Founding Members can stake their preferred amount of MCO Tokens (i.e., 50/500/5,000/50,000) to enjoy other services & benefits including (5,000/50,000) for Crypto.com Private.

Due to the strong demand and long waiting list for the Obsidian Black Card, Crypto.com has decided to increase the number of Obsidian Black cards **by 99**.

These new cards will be distributed based on a first-staked, first-served basis.

Note For the 99 new Obsidian Black card-holders, continuous staking of 50,000 MCO Tokens is required for the activation of other services/benefits.

6.2 Crypto.com App

Customer pain points/needs

- It is currently challenging for customers to buy and manage cryptocurrency on their mobile in a secure and convenient way, and to be able to track prices/movements of their assets
- It is also challenging to spend cryptocurrency in the real world and be able to secure and manage spending through a mobile app

◆ Value proposition

Crypto.com provides a secure, convenient and elegantly designed wallet app for customers to:

- Buy/sell cryptocurrency
- Send/receive cryptocurrency
- Track cryptocurrency prices and set alerts

Wallet App currently supports 50+ cryptocurrencies including BTC, ETH, XRP, LTC, MCO, CRO and BNB. More tokens will be added in the future.

Users have the option to deposit up to \$1,000,000 USD per day through bank transfer, avoiding currency exchange and credit card fees on their crypto purchase. Over 20+ fiat currencies are supported, including USD, EUR, GBP, JPY.

Furthermore, the Wallet App enables customers to manage their MCO Visa Card (once released) and enable spending of their cryptocurrency in the online and offline world at more than 50 million merchants:

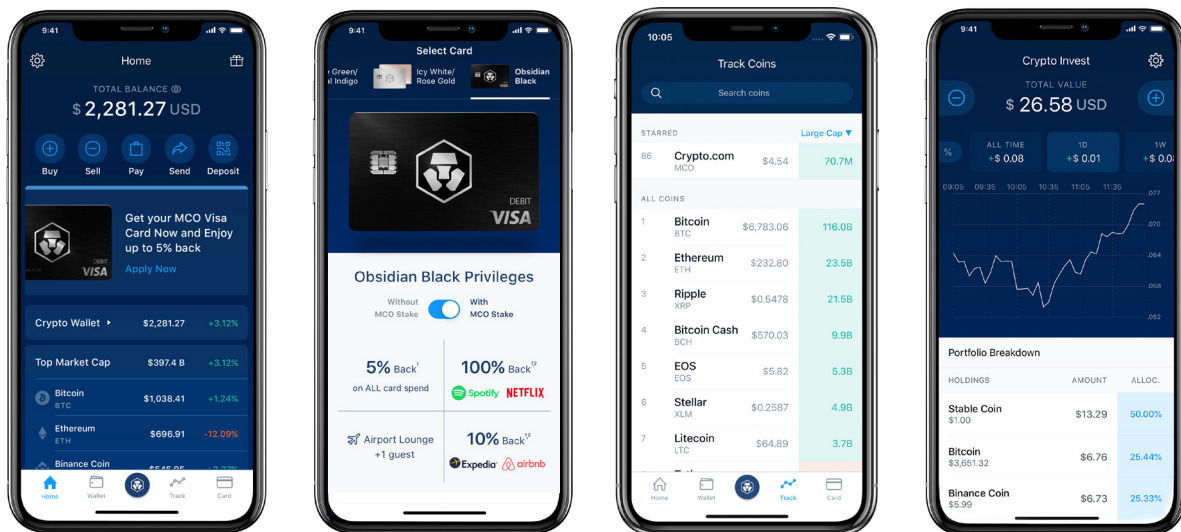

- Convert cryptocurrency into Fiat (USD, EUR, GBP, SGD, HKD, JPY, AUD) - ready for spending
- Enable withdrawal, freeze/unfreeze card
- Upgrade card tier

◆ Pricing

Best Order Execution: Crypto.com's proprietary Vortex Trading Engine pools liquidity from major exchanges globally and routes orders to them to ensure the Best Execution Price. Coupled with our increasing coverage of fiat top-up channels and very convenient app interface, this makes Crypto.com App the best place to buy crypto.

◆ Differentiation

Best-in-class designed app with smooth and easy user experience; attractive transaction pricing, connected to the card for instant access and spending.

MCO Token Utility

MCO Tokens are able to be used and/or earned in connection with this product by eligible persons in the following key ways:

- Receive token airdrops for selected token listings on the Crypto.com App based on MCO Token staked in app
- Receive higher staking rewards for selected tokens based MCO Token staked in app
- Vote for your preferred token to be added to the Crypto.com App using MCO Token **COMING SOON**

6.3 Crypto Invest

Customer pain points/needs

- It is difficult for customers to know which cryptocurrency to buy, hold, or sell
- It is complex for customers to build and maintain a diverse exposure to cryptocurrency

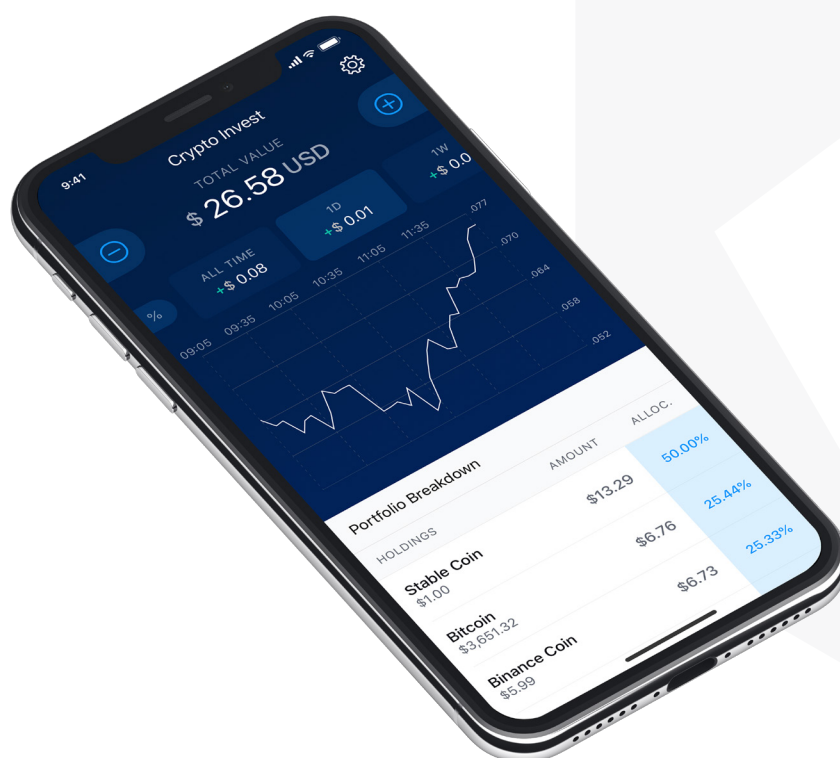

Value proposition

(Exclusive to Crypto.com Private Members) Crypto.com provides a simple way to set up a cryptocurrency portfolio to participate in the future of money:

- Get access to quant trading strategies to build a diversified and individually traded portfolio based on your personal preferences
- Start contributing with as little as \$20 USD
- Exit anytime without penalty

Pricing

- Crypto.com does not charge any management, exit or entry fees for customers to participate in Crypto Invest
- Crypto.com only charges a success-based fee on generated profit if the portfolio is over-performing vs initial portfolio Net Asset Value (NAV)

◆ Differentiation

Access to advanced quant trading strategies, simplicity of use, no fees other than success fee, withdraw any time without penalties.

◆ MCO Token Utility

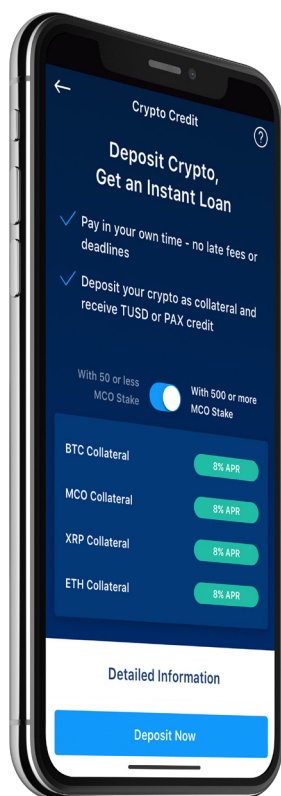

MCO Tokens are able to be used and/or earned in connection with this product by eligible persons in the following key ways:

- Receive a 50% discount on all fees for Crypto Invest if you stake MCO Tokens
- Crypto Invest may include an allocation of MCO Tokens to your portfolio

6.4 Crypto Credit

◆ Customer pain points/needs

Customer are sometimes expecting long term value appreciation of the tokens they hold, and will want to get value out of those tokens without converting them to fiat

◆ Value proposition

Crypto Credit allows users instant access to cash without the need to sell their cryptocurrency holdings.

Crypto Credit is a lending platform that allows users to leverage their blockchain assets to secure a loan.

Through the Crypto.com App, users can obtain credit using their cryptocurrency holdings as collateral.

This credit can then subsequently be spent with MCO Visa Cards. It can also be used to purchase other cryptocurrencies on the Crypto.com App. Different cryptocurrencies will have different levels of collateral required.

If the price of the collateral decreases to a certain level, a margin call will be triggered and sent to the customer, who will have the option to top up their collateral or repay the credit.

Inversely, if the price of the collateral increases to a certain level, the customer will be offered the option to enjoy a higher credit.

Crypto.com will use its balance sheet to fund the credit.

◆ Pricing

- Crypto.com will charge very competitive interest rates, only on the utilized credit
- Supported collateral currencies include BTC, ETH, LTC, XRP, MCO, CRO. Supported loan currencies include PAX and TUSD. Loans in more assets will be made available over time. Please visit Crypto.com official communication channels for updates.

With 50 or Less MCO Stake	12% p.a.	12% p.a.	12% p.a.	12% p.a.	12% p.a.	12% p.a.

Differentiation

Unique value proposition combining an innovative and price competitive credit product and the MCO Visa Card enabling real world usage

MCO Token Utility

MCO Tokens are able to be used and/or earned in connection with this product by eligible persons in the following key ways:

- Lower interest rate (APR) when staking 500 MCO or more
- Get credit if you use MCO Token as collateral

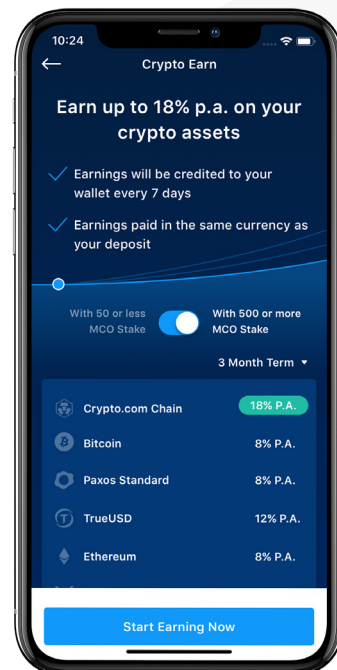

6.5 Crypto Earn

Customer pain points/needs

Customers who hold crypto want to capitalize on their holdings while retaining ownership.

Value proposition

Crypto Earn gives users the freedom to grow their crypto assets and earn interest up to 18% p.a.

Pricing
